Innovative Interiors is New Zealand's leading designer and manufacturer of custom-made wardrobe, sliding door and storage solutions.

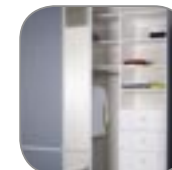

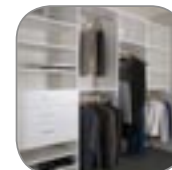

With products ranging from basic wardrobes to full customised dressing rooms, Innovative Interiors can solve your wardrobe and storage needs regardless of your budget.

traditional™

Innovative Interiors' **Traditional** range offers the optimum in affordability, functionality and style.

Constructed from high-quality 18mm laminated MDF (Melteca/Melamine) with stainless steel hanging rails and lock-down shelves, there is no other wall-hung system that offers as much value for the price, without forsaking quality.

The **Classic** wardrobe from Innovative Interiors perfectly blends style and affordability. Available in the latest fashion colours and woodgrain laminates, the **Classic** wardrobe will stand the test of time as an attractive and affordable solution to your wardrobe and storage requirements.

classic™

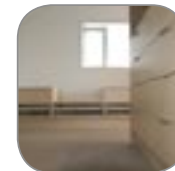

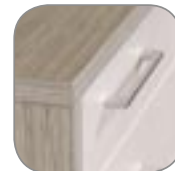

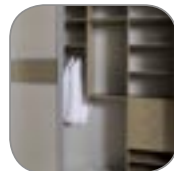

Choose from a large range of colours in 18mm Melteca/Melamine. The **Classic** wardrobe is fully floor standing and offers many options for shelves, drawers, baskets, and hanging space.

For those seeking to make a statement with their wardrobe, the **Euroclass** from Innovative Interiors combines contemporary style with the latest colours and materials to deliver a wardrobe that stands out for its quality and presence.

Designed in 25/30mm material, including the latest fashion colours and woodgrains, the **Euroclass** also offers a large range of accessory options such as soft-close drawers, extendable shoe drawers, pull-out mirrors, tie racks, and jewellery drawers.

storage solutions

In addition to being NZ's wardrobe specialist, Innovative Interiors offers a full design, build and install service for most domestic and commercial storage requirements.

From home offices to bookcases, wine cellars, children's rooms, entertainment units, garage storage and laundries, Innovative Interiors can turn those storage nightmares into storage miracles.

The **Nova** wardrobe and shelving option from Innovative Interiors provides a modern and contemporary alternative for home and office.

nova

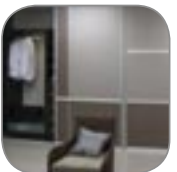

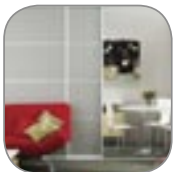

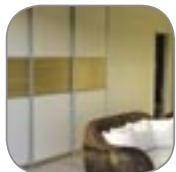

Using high-quality aluminium uprights and brackets, the **Nova** system allows a fully modular construction to suit all needs. Combined with Melteca, Melamine, or glass shelving and cabinets, a stunning look can be achieved with ease.

sliding doors

Innovative Interiors offers a vast range of sliding door options to complement any room or decor. Using only the highest quality components we make sliding doors that are not only functional, but also truly stylish and stunning additions to your home, office, or commercial building.

From budget doors to full room dividers, we can custom design and build the perfect door solution for your needs.

we are here

Innovative Interiors is New Zealand's only nationwide wardrobe and storage solutions company. With a deep commitment to customer service and product superiority, we can guarantee the same level of customer satisfaction from Northland to Southland, and just about everywhere in between.
