The day starts at 8.30am, please meet in the front foyer of Butterfly Creek. They will be greeted by our host who will take charge of all the Junior Keepers and escort them over to the Barnyard to start their day. A full and exciting day is planned – the Junior Keepers get access to most areas that the public cannot go into. They help get the farm ready for our visitors which includes cleaning, sweeping, replenishing their food and water, they help the public to hold and feed the animals. Then they have a special photo session with our baby crocodiles, spend some close up time with our bugs, fish, butterflies and spiders and of course they get a great view of our Saltwater Croc encounter where only Keepers can go!
