TomTom Bar & Eatery is a newly developed Gastrobar housed in a historically significant site, which has been protected and enhanced.

*“Victoria Park, originally a refuse station, whose chimney was used to burn the city’s rubbish.*

*The celebrity ramp was used by the horses pulling their rubbish laden wagons to the destructor and the generator provided power to Auckland’s first street lights.*

*Ninety-four work horses were housed in the stables and across the road, now a green park, was once beach front.”*

Elevated above Victoria Park, affording northern views through leafy treetops, TomTom exudes a slick downtown vibes whilst sympathetic to the buildings industrial heritage.

Relax alfresco style on our enormous pavilion boasting a clever combination of four distinctly differing areas and social occasions.

On the Gastro front we engage an ethos of creative fine foods in comfortable, unpretentious surroundings.

Whether it’s a birthday party, client meeting, family celebration, or just a simple gathering with friends or colleagues we can help you create an event that everyone will enjoy. With a large capacity of up to 280 guests, and ample space for group bookings in several different areas within the bar and restaurant which can be reserved with an extensive menu specially created by our Head Chef; TomTom is the perfect venue for your next function.
